## NEWS GATHERED FROM SOUTHSIDE

Mr. M. A. Campbell Succeeds Mr. Owen in City Council.

THE CITY'S HEALTH IS GOOD

Jail Commissioners Recommend Establishment of Sick Room.

Manchester Bureau, Times-Dispatch, No. 1112 Hull Street.

Mr. R. V. Owen last night, at the meeting of Council, moved that his resignation, offered some weeks ago, which was laid on the table, be taken up and acted on. This was done, and the resignation was accepted.

Councilman Cox nominated Mr. M. A. Campbell to succeed Mr. Owen, and he was chosen unanimously. Mr. Lindsay, successor to Mr. Grizzard, who had just landed his credentials to the body, was authorized to cast the vote.

Mr. Owen retired from Council because he moved from the ward. His associates expressed regret at his leaving. He was identified with much of the important legislation transacted in Council during the past several years, and was on most of the important committees. He was chairman of the subcommittee on finance, which had the work of preparing a new and revised list, after a thorough revision of the old list, and which increased the revenue of the city by several thousand dollars annually.

Mr. Campbell, the successor to Mr. Owen, is a well known business man, and has had considerable experience in legislative work, as he was a member of Council from the Second Ward several years ago, and is looked upon as a worthy successor to Mr. Owen.

Healthy Condition of City.

Council held a short session last night, but a lot of business was done. The reports of the various committees were received and filed. The Cemetery Committee reflected the fine health of the city, and the consequent low death rate, as indicated by the fact that the cemetery expenses were more than the receipts by this committee. Receipts \$160; expenses \$17.12. The Almshouse Committee showed that there were sixteen inmates of that institution.

The Fire Commissioners asked for two additional plugs, one at Fifth and Bainbridge and the other at Twentieth and Bainbridge Streets, and the request was acted upon favorably. Mr. Jones, in presenting the report, stated that the fire department was in need of more hose, and it is quite likely that a purchase will be made at an early date.

The Fire Commissioners reported that they had granted building permits to the Blair-Ruehle Glass Works Company, to erect buildings on the site of their proposed plant on the Atlantic Coast Line, and the shingle factory, and to the Carrington tobacco factory, at Third and Bainbridge Street, extended.

Mr. Reams said the glass works people had leased the property from the railroad company for a period of thirty years. The report of the Jail Commissioners showed that institution in good shape, and that the city sergeant had proven

## EASY CHANGE

When Coffee is Bad for Harm. A lady writes from the land of cotton of the results of a four years' use of the food beverage—hot Postum Coffee: "Ever since I can remember, we had used coffee three times a day. It had a more or less injurious effect upon us all, and I myself suffered almost death from indigestion and nervousness caused by it. I know it was that, because when I would leave it off for a few days I would feel better. But it was hard to give it up, even though I realized how harmful it was to me."

"At last I found a perfectly easy way to make the change. Four years ago I abandoned the coffee habit and began to drink Postum, and I also influenced the rest of the family to do the same. Even the children are allowed to drink it freely as they do water. And it has done us all great good. I no longer suffer from indigestion, and my nerves are in admirable tone since I began to use Postum Coffee. We never use the old coffee any more. We appreciate Postum as a delightful and healthful beverage, which not only invigorates, but supplies the best of nourishment as well." Name given by Postum Co., Battle Creek, Mich. There's a reason. Read the little book, "The Road to Wellville," in each package.

## DR. OPPENHIMER FOR EXPANSION

President of Board of Health Talks in Behalf of Plan.

## CITY NEEDS MORE AIR SPACE

Crowded Condition Causes Danger From Tuberculosis.

Dr. W. T. Oppenheimer, president of the Board of Health, was asked last night if he agreed with Mayor McCarthy that the city should take in extensively the outlying districts and become in a word "Greater Richmond." Dr. Oppenheimer said:

"I am heartily in favor of expansion and a Greater Richmond. I have advocated the move for years, and this movement is no new thing as far as I am concerned. For I know, from practical experience, what a crying need it is."

"I stand for expansion for several reasons, but they all sum up in this—that no city can be healthy unless there is plenty of air space, and Richmond is sadly in need of air space."

"I recommended in my annual report that the city build a hospital for consumptives outside the city limits, because I felt that the crowded condition of the city and the density of population made it of small avail within the city limits. 'The density of our population compels healthy people to live not only in the same houses, but often in the same room with those afflicted with tuberculosis. If we are to be rid of tuberculosis, we must have an abundance of fresh air.'"

"Out of every seven deaths that have occurred in Richmond within the last year, one at least has been from tuberculosis. 'The only remedy for this evil is fresh air and plenty of it.'"

"Another reason for expansion, and a strong one to my mind, is that we may properly protect ourselves from contagious diseases on the outskirts of the city. If, for instance, a case of smallpox should break out one yard beyond the city limits in one of the closely built up suburbs, I could not exert any authority to have the case removed, and the city might suffer in consequence. We should not have built up localities beyond our city limits. We should annex them so that they may be governed and regulated like the city of Richmond."

"I repeat that I am entirely in sympathy with the movement for expansion."

## TWO STRONG TEAMS.

Twin City Clubs to Measure for New Uniforms This Evening.

Two of the teams of the Twin City League will meet to-night to measure for the new uniforms. The Richmond team will line up as follows: Catcher, R. H. Owen, W. G. Hill and R. C. Broadus. Those present were Messrs. Wakefield, Owen, Taylor, Pettit, Daffron, Reams, Cox, Jones and Lindsay. City Attorney Page was also there.

## Will Run Again.

Mr. Robert S. Rives, who was a candidate for the Legislature at the last election, and who was prevented from making an active canvass in the last days of the campaign by illness, announced yesterday that he would be in the race again at the coming election. So far Mr. Rives has the field to himself, as no other names have been settled upon. Mr. Rives has already seen many of the voters, and he feels much encouraged at the outlook.

## White Men Arrested.

Policeman Moore last night arrested two young white men as alleged suspicious characters. They were attempting to dispose of a small quantity of postage stamps to a Hull Street druggist. The two men deny that they are suspicious characters, but do not deny they are on their uppers, and in need of work and funds. They will be given a chance to clear themselves this morning. They are recorded on the blotter as E. H. Simonds and Nell Friend.

## Death of Mrs. Cosby.

Mrs. Nancy Cosby, well known in Manchester, died yesterday morning at her home, near Middletown, aged eighty-six years. She is survived by eight children, among whom is Mr. R. H. Cosby, of Swansboro. The funeral will be at 3 o'clock this afternoon from the house.

Myrtle Grove, a bridge held a largely attended meeting at Anderson's Hall last night. Speeches were made by several prominent members of the order from Richmond and this city, including Messrs. M. B. Ramos, T. M. Hargrave, B. H. Hudson and E. P. Ford.

## The Mayor's Court.

Mayor Maurice sent Ella Hilton to jail yesterday for fifteen days for being drunk and being careless about some clothes she took out to wash.

The case of the three wrestling fighters went over to Monday for witnesses. The case of the bill-poster, charged with hanging lithographs without a license, was continued one day.

Another attempt was made yesterday morning early to break into Vaden's hardware store, at Fifth and Hull Streets. Nothing was missing.

Messrs. C. W. Blankinship and W. E. Smith have been selected to represent Stewart Lodge, Odd-Fellows, at the Grand Lodge meeting in Lynchburg in May.

WASHINGTON, D. C., March 10.—Operators from Flat Top and New River fields, here for the purpose of attending a meeting held to-day to protest against the proposed increase in rates on coal transportation from the mines to Tidewater, say that there was nothing to be considered by the conference, that it was simply attended and that no business of importance was transacted.

It was stated by one of the operators that the proposed increase in rates had been abandoned as a result of the protest adopted at the meeting held here some days ago, and that the railroad companies, the Norfolk and Western and Chesapeake and Ohio, had informed them that the increase of 25 cents a ton on coal to Tidewater would not be ordered.

"I am somewhat inclined to think we have been the victims of our own action," said the operator mentioned. "I am not satisfied that the roads intended to raise the rate on Tidewater coal. I am inclined to think that the announcement that it would be raised was made in anticipation of a demand on our part that it be lowered. We were considering making this demand, when the announcement of the proposition to increase it was received. It is not impossible that the roads anticipated our demands in this way, and so put us to fighting to prevent an increase instead of working for a great deal of truth in the story that the increase was contemplated in order to prevent the mines of the Virginias taking so much of the business formerly controlled by the Pennsylvania mines."

## GEORGIA OFFICER TAKES A. S. COLYAR

Former Convict Must Answer Forgery Charge in the South.

A. S. Colyar, the young white man who has just completed a term of one year in the penitentiary for passing a forged check upon the Jefferson Hotel, was upon the release from the State prison yesterday, turned over to Officer J. H. Hancock, of Clarke county, Ga., where he was immediately taken to answer a similar charge.

Colyar's case created a good deal of interest here, by reason of the fact that the man is of good family, and fell by reason of acquiring the drink and opium habits. Colyar pleaded his own case in the Hastings Court, and told an honorable story as lawyer and citizen, by the use of stimulants. His term expired yesterday and the Georgia authorities appeared with proper papers asking the Governor for extradition papers. These were promptly given and Officer Hancock is carrying Colyar in his train for Clarke county with his prisoner.

Colyar stopped at the Jefferson last year, contracted a considerable board bill, and then disappeared. The management of the hotel, upon the management of a forged check, the entire amount involved having been about \$300.

## LOOSE LEAF TOBACCO.

Supply Reaching Point of Exhaustion for the Year.

The rainy season has brought all of the surplus leaf tobacco reaping. Last year's crop in the hands of the farmers in good handling order, and the probability is that the bulk of it will be marketed within the next three weeks.

Warehousemen who have sent agents out in the country to find out where the leaf is to be marketed, report that there is comparatively speaking, very little more to come in. The sales at the warehouses on the slip closed for the week, and footed up about \$300,000 pounds. Very few extra fine goods showed up during the week, the offerings being in the main common to medium grades.

"Buyers are of the opinion that there are but a few fine goods left to be marketed, and that for the remainder of the season, only common to medium stocks may be looked for. The highest price that anything brought this week was \$23, and only one pile brought that much."

"The probability is that breaks will be heavy next week, and then for the balance of the season they will dwindle away until the crop is exhausted."

## Grateful to Captain Lamb.

Hon. John Lamb is in receipt of many letters from various Confederate organizations, thanking him for his earnest efforts in the matter of having the battle flags returned to the various States. Among them is a note from the Sons of the Confederate Veterans of the Confederacy of Alabama.

Regarding the time of the return of the battle flags, Mr. Lamb has received the following letter from General F. L. Ainsworth, of the War Department:

The Military Secretary's Office, Washington, March 8, 1905. Hon. John Lamb, House of Representatives. My Dear Sir:—In response to your letter of yesterday, relative to the return of battle flags under a recently enacted law, I beg to leave to you to advise you that it is practicable to do so after certain necessary preliminaries have been arranged.

Very respectfully, F. L. AINSWORTH, The Military Secretary.

## Negro Minstrels.

Billy Kersand's Minstrels, a negro orchestra, will give two performances to-day at True Reformers' Hall. This minstrel troop has been on the road for years and has been unusually well received. The matinee is to begin at 2:30 o'clock.

## W. L. DOUGLAS

UNION \$3.50 MADE FOR MEN

W. L. Douglas makes and sells more Men's \$3.50 shoes than any other manufacturer in the world.

\$10,000 REWARD to any one who can disprove this statement.

The reason W. L. Douglas \$3.50 shoes are the greatest sellers in the world is because of their excellent style, easy fitting and superior wearing qualities. If I could show you the difference between the shoes made in my factory and those of other makes and the high grade leathers used, you would understand why W. L. Douglas \$3.50 shoes cost more than others. Why they hold their shape, fit better, wear longer, and are of greater intrinsic value than any other \$3.50 shoe on the market to-day. W. L. Douglas guarantees their value by stamping his name and price on the bottom. Look for it. Take no substitute. Sold by shoe dealers everywhere.

AS GOOD AS \$5 AND \$6 SHOES. "I have been a constant wearer of the W. L. Douglas \$3.50 shoes for the last six years, and have gotten more satisfaction out of them than from any other shoe. They give me the same comfort, style and wear as shoes that cost \$5 and \$6."

W. L. DOUGLAS \$2.00 and \$1.75 Shoes for Boys are the same as Douglas \$3.50 shoes for Men. Boys save \$1.00 on every pair over other makes.

W. L. Douglas uses Corona and W. L. Douglas shoes are made in the U. S. A. W. L. DOUGLAS, 233 Broadway, New York City.

Excellent music is a feature.

Rev. Mr. Simpson, of Clay Street Methodist Episcopal Church, will preach Sunday morning at Park Place Methodist Episcopal Church, and Rev. Mr. Betty will fill his pulpit.

Rev. W. T. Doreux will return from his brief time in his pulpit at the Venable Street Baptist Church to-day.

## BASEBALL THE THEME BEFORE JUSTICE JOHN

Short Docket Gave the Cranks Chance to Talk the Game Over.

"The game of base-ball is to me a thing of no perpetual joy; I played it every hour, indeed, when I was just a little boy, and now that I am growing old and settled down in every way, I think I'd rather see the game than eat my dinner any day."

After that the Wise Guy unfolded the line-up and commanded the president of the War Club, Sergeant Thomas, to play ball.

Before the game could be called, Edgar the Scribbler arose and offered a poem on the great national game, which was received with tumultuous applause by the people in the pen, who were thinking of the fields and dunes now on their way to this climate, and the manager of the Manchester team smiled good-naturedly for the fact that this year would be the banner year in base-ball. The poem went thusly:

Breaths there the man with soul so dead Who never to himself hath said:

MRS. L. F. MULRAY.

## "Nervous Headaches—Run Down."

Tired, sick nerves cause nervous headaches. The nerves stop doing their work properly. They protest against neglect and abuse. Their tired, sick condition is shown in many ways, sometimes one way, sometimes another. Headaches, "unstrung," "worn out," "run down," "nervous," "blue," all warnings from sick nerves.

Health, vigor, determination, courage—in fact, all that makes life worth living depends upon a healthy supply of nerve force.

Paine's Celery Compound makes new Nerve Force, it revives the old force and makes new. It not only does this, but by strengthening the nerves that control all the organs of the body, it cures the real cause of headaches, neuralgia, rheumatism, malaria, and the many diseases coming from a run down condition of the nerves.

For 18 years Paine's Celery Compound has been the most universally used nerve vitalizer and tonic in the world. For 18 years—think of this fact and realize what it means.

Read the experience of Mrs. L. F. Mulray after La Grippe:

"Following a severe attack of La Grippe my general health seemed to be seriously affected. I suffered from constant nervous headaches and was so unstrung that everything irritated me until I was in a precarious condition. I also was troubled with sleeplessness and would rise in the morning more weary than when I went to bed. As my medicine did not seem to help me any, the doctor advised a complete change, but, as I was unable to go away, a neighbor advised me to try Paine's Celery Compound. I used it faithfully for a week, feeling that I daily grew better and stronger and my health kept gradually improving until I had used three and a half bottles, when I was in perfect health, with no trace of my former troubles. A number of my friends who saw what Paine's Celery Compound had done for me have used it since, and they all feel as pleased with results as I am. Yours very truly,"—Mrs. L. F. Mulray, Fifth and Mercer streets, Seattle, Wash. Treasurer Skoogay Country Club.

Thousands of grateful patients tell of the unfailing effect of Paine's Celery Compound as a nerve vitalizer and tonic. Physicians, the world over, use and prescribe it and testify to wonderful cures.

One bottle will prove its wonderful properties—it gives almost instant effect.

Try Paine's Celery Compound to-day.

It braces you up at once.

See how much better you feel.

See how much more easily the trials roll away.

Let Paine's Celery Compound strengthen and restore your nerves, nourish your system, purify your blood and help you back to vigorous, buoyant health.

Remember this—Paine's Celery Compound is the prescription of one of the most famous physicians America has ever known—Prof. E. E. Phelps, of Dartmouth University.

All reputable druggists recommend and sell Paine's Celery Compound.

WELLS, RICHARDSON & CO., BURLINGTON, VERMONT.

## WINTERS TOO COLD FOR WESTERN MEN

They Are Looking to Virginia for Next Winter's Home.

The past winter has been such a severe one in the North and West, that the farmers of those sections seem to be ready to pull up stakes and leave for a more genial climate.

Commissioner Kolner nearly every day receives letters from discouraged farmers of the Western States, in which they say that they can no longer stand the rough weather of their locality, and are determined to seek a home in a milder climate. Virginia is attracting their attention, by reason of the fact that Commissioner Kolner has judiciously placed his literature in just such States. W. B. Baldwin, of Niles, Ohio, R. F. D. No. 1, writes that quite a number of farmers at that place are thinking of buying land in Virginia, on which to raise beef cattle, and engage in general farming. "They are looking for farms of from two hundred to five hundred acres. Mr. Kolner supplied his correspondent with all the information desired."

Letters of inquiry were also received yesterday by the commissioner from the following prospective settlers: H. A. Washburn, Longmont, Col.; general farming. R. L. King, American Exchange Bank, St. Louis; fruit and hog raising. Charles H. Wade, Monroeville, W. Va.; fruit and horse raising. H. M. Lyon, R. F. D. No. 10, St. John's, Mich.; general farming. E. A. Smith, No. 713 West Sixtieth Street, live stock.

Hunt This Afternoon. Dean Run Hounds will meet this afternoon at four o'clock at "Chantilly," on the Broad Street Road.

As this is a fourth meet a large field will doubtless greet the master. At the clubhouse the following ladies will receive after the drag: Mrs. R. G. Remond, Mrs. B. T. Treadwell, Mrs. R. Y. Williams, Mrs. Moore, of Rochester, N. Y.; Miss Nora Leary, Miss Belrie, Miss Tompkins, Miss Purcell, Miss Lee, and Mrs. Burnett's Extract of Vanilla is the best, perfectly pure, highly concentrated—Adv.
